Application URL	<a href="https://maharashtra.nextprocure.in">https://maharashtra.nextprocure.in</a>

## 2. Installation and Setting Up of Java

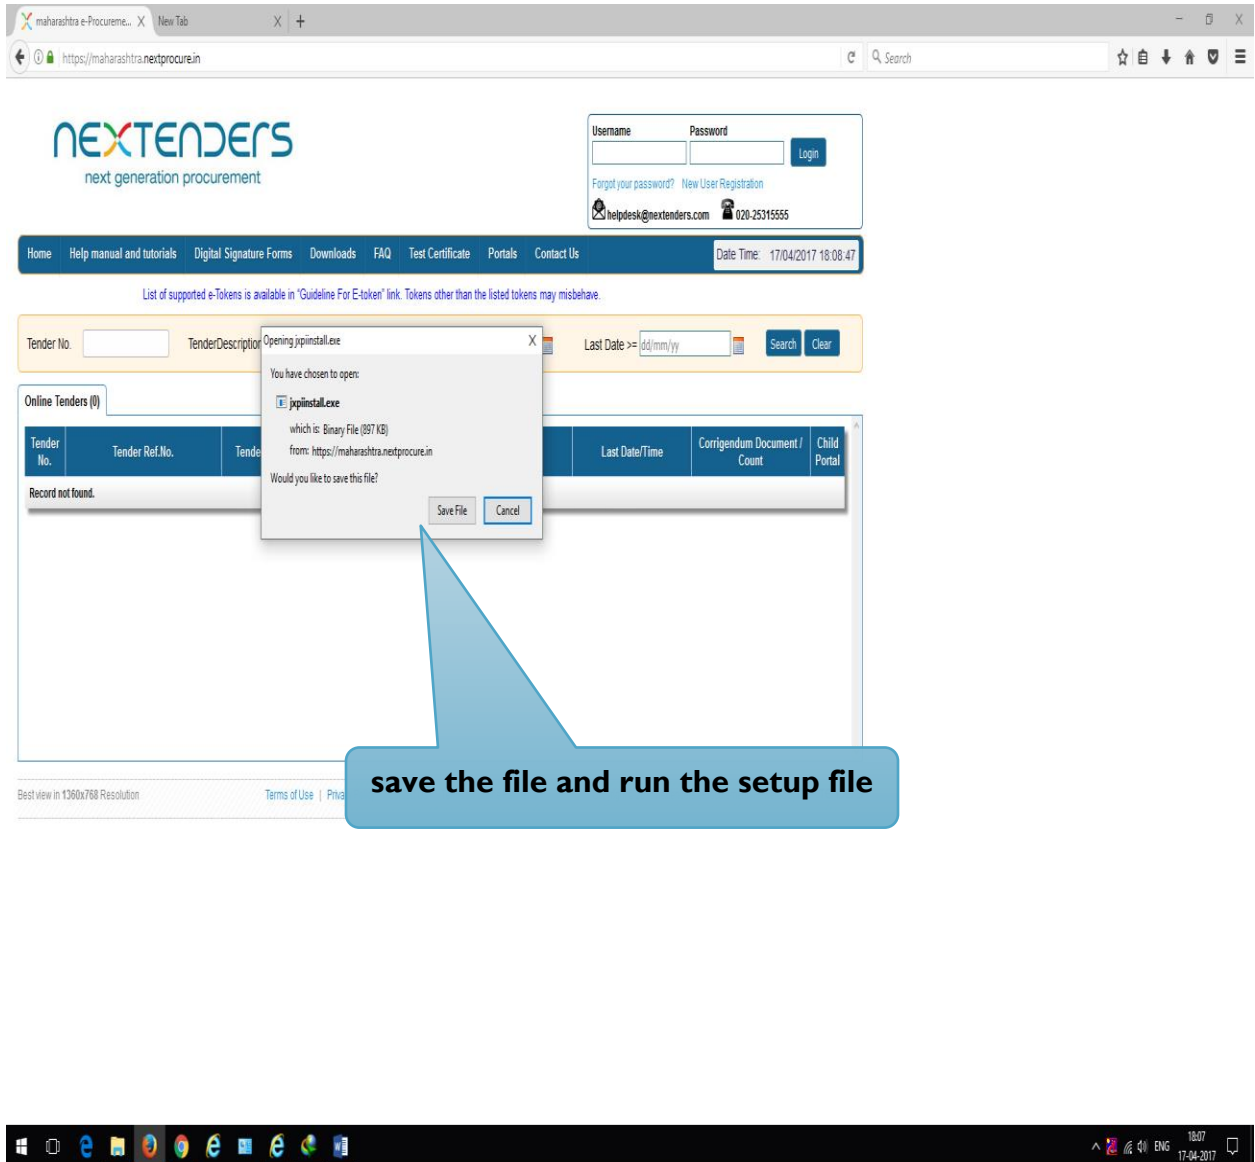

As mentioned in system requirement Java JRE 7 Update 67 and above (32 bit) is required to be installed before the system used. Below are the steps to install Java.

Step 1: Open the URL <https://maharashtra.nextprocure.in> on Mozilla Firefox, Google Chrome or Opera Browser. Further Select the “**Download**” menu and “**Install Java**” menu option.

## Installation and Setting Up of Java

Step 2: This will prompt you to download and Save the Java Installer “jxpiinstall.exe”. Save the installer.

***Installation and Setting Up of Java***

---

Step 3: Double Click the Installer “jxpiinstall.exe”.

### Installation and Setting Up of Java

Step 4: This will Start the Java Setup. Click “Next” button to install.

The screenshot shows a web browser window displaying the NextTenders portal. The browser address bar shows the URL <https://maharashtra.nextprocure.in>. The website header includes the NextTenders logo and a navigation menu with items like Home, Help manual and tutorials, Digital Signature Forms, Downloads, FAQ, Test Certificate, Portals, and Contact Us. A date-time stamp shows 17/04/2017 19:03:06. A search bar is visible with a 'Search' button. A 'Java Setup - Welcome' dialog box is open in the center, displaying the Oracle Java logo and the text 'Welcome to Java'. The dialog box contains the following text: 'Java provides safe and secure access to the world of amazing Java content. From business solutions to helpful utilities and entertainment, Java makes your internet experience come to life.' Below this, it says 'Note: No personal information is gathered as part of our install process. Click here for more information on what we do collect.' and 'Click Install to accept the license agreement and install Java now.' At the bottom of the dialog box, there is a checkbox for 'Change destination folder' and two buttons: 'Cancel' and 'Install >'. A blue arrow points from the text 'click on install button' to the 'Install >' button. The background website shows a table with columns for Tender No., Tender Ref.No., Tender Description, Last Date/Time, Corrigendum Document / Count, and Child Portal. The table is currently empty, with the text 'Record not found.' displayed. The Windows taskbar at the bottom shows the system tray with the date and time 19:02 on 17-04-2017.

## Installation and Setting Up of Java

Step 5: when java is installed, installer will prompt “you have successfully installed Java” you can Click “Close” button to close the installer.

The screenshot shows the Nextenders eProcurement website interface. At the top, there is a navigation bar with links like Home, Help manual and tutorials, Digital Signature Forms, Downloads, FAQ, Test Certificate, Portals, and Contact Us. A search bar and a date/time display (18/04/2017 11:40:43) are also present. Below the navigation bar, there is a search section with fields for Tender No., Tender Description, Start Date, and Last Date, along with Search and Clear buttons. A table titled 'Online Tenders (0)' is visible, showing a 'Record not found' message. Overlaid on the website is a 'Java Setup - Complete' dialog box from Oracle. The dialog box has a red header with the Java logo and the text 'You have successfully installed Java'. Below this, it says: 'When Java updates are available, you will be prompted to download and install. We recommend you always do so to ensure your system has the latest performance and security improvements. See the instructions if you want to change this behavior.' At the bottom right of the dialog box is a 'Close' button. A blue callout box with a white border points to this 'Close' button and contains the text 'click on close button .'. The Windows taskbar is visible at the bottom of the screen, showing the system tray with the date and time (11:39, 18-04-2017).
